# CANISIUS HIGH SCHOOL CRUSADERS

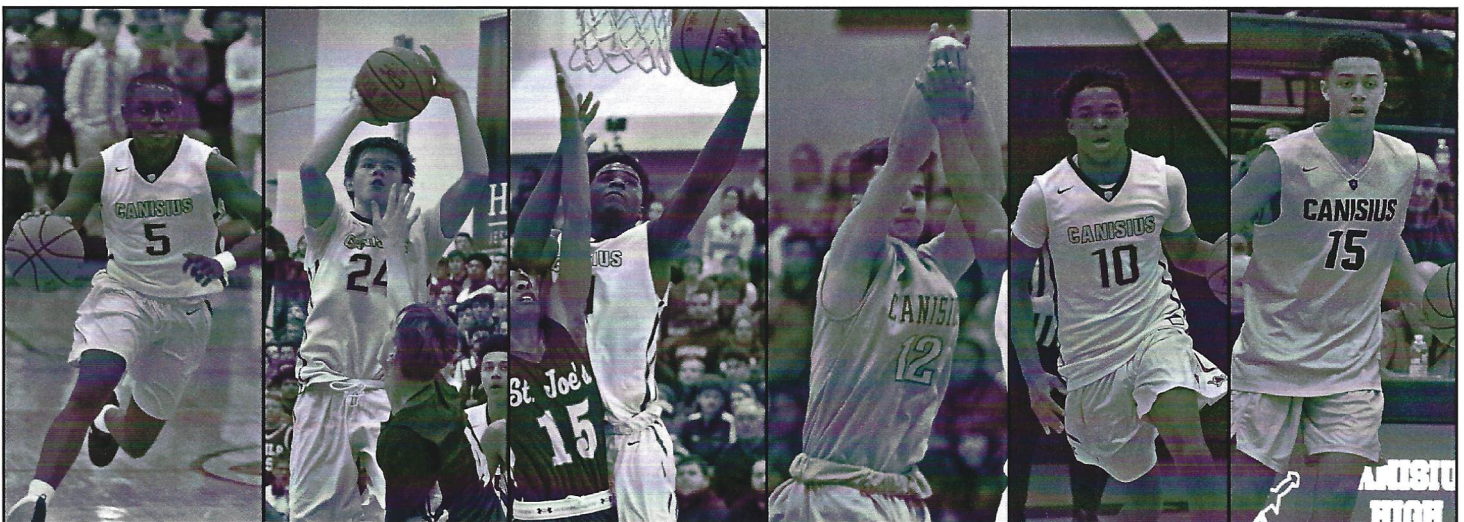

The Canisius Crusaders have won the class A regular season title and will compete in the Manhattan Cup Championship game for the 6th consecutive season and 11th time in 12 years. The 2019-2020 Crusaders are playing an up-tempo, fast brand of basketball averaging 76 points a game. This year's team is deep and versatile, working hard all season with the goal of playing their best basketball in March.

Canisius is led by senior Dewayne Vass who is averaging 17 points, 8 rebounds, 5 assists, and 3 steals per game, leading the team in each category. The "do it all" point guard plays his best in the biggest games and has earned the distinction of being one of the best players in WNY. Junior sharp shooter Joe Ciocca is connecting on 41% of his 3 point attempts and is the Crusaders second leading scorer at 12 points a game. Senior Eric Kegler has had a solid season as he has evolved into a versatile player who is effective on both ends of the floor. Kegler is an inside/out threat on the offensive end while also being one of the team's leading rebounders. Senior Ishmael Fairclough has played a tremendous role for Canisius as one of the hardest working players on the floor each game while also being one of the best defenders on the team. 6'5 junior center Max Dowling mans the middle for CHS. Dowling is scoring 11 points a game and has continued to develop his offensive game and defense while averaging 5 rebounds a game this season. Freshman Shane Cercone has had an outstanding first season for Canisius. Cercone has gotten better and better throughout the season, is a great defender capable of guarding any position and a threat to score whenever he touches the ball. Senior Kaleb Harris has provided valuable minutes at the guard position on both ends of the floor. Juniors Eric Geisler and Malik Jemison have contributed to the team's great depth as both are reliable guards with very bright futures. Juniors Will Pieroni, David Barbara, Willie Herron, and Hunter Glaser along with late season junior varsity call up sophomore Declan Ryan round out the Crusaders roster of 14.

The Canisius High School fan base of parents, students, alumni, and friends remain the best in WNY and provide a great advantage each night for the blue and gold. The Crusaders have played an extremely challenging schedule with the goal of improving every game and peaking at the right time in their quest to bring the Manhattan Cup back to Delaware Avenue.

The St. Joe's Marauders have seen tremendous team and individual growth and success throughout the 2019-2020 season. The Marauders currently hold a 19-5 record as they make their second consecutive appearance in the Manhattan Cup Semifinals under Head Coach Gabe Michael.

The Marauders have secured a winning season for the first time since 2012-2013, and are just one win away from having the most wins since that same year. The 2019-2020 season also marks the most league wins St. Joe's has had since the 2010-2011 season.

The Marauders average 75 points per game as a team and have made 200, 3-point shots, with sophomore Josh Haskell contributing 69, 3-pointers while shooting 43% from beyond the arc. Junior Jaden Slaughter leads St. Joe's with 18.1 points per game, shooting 58%, which is second to Senior Greg Poland's 64% shooting average. Poland also leads the Marauders in rebounds, with 5.5 per game.

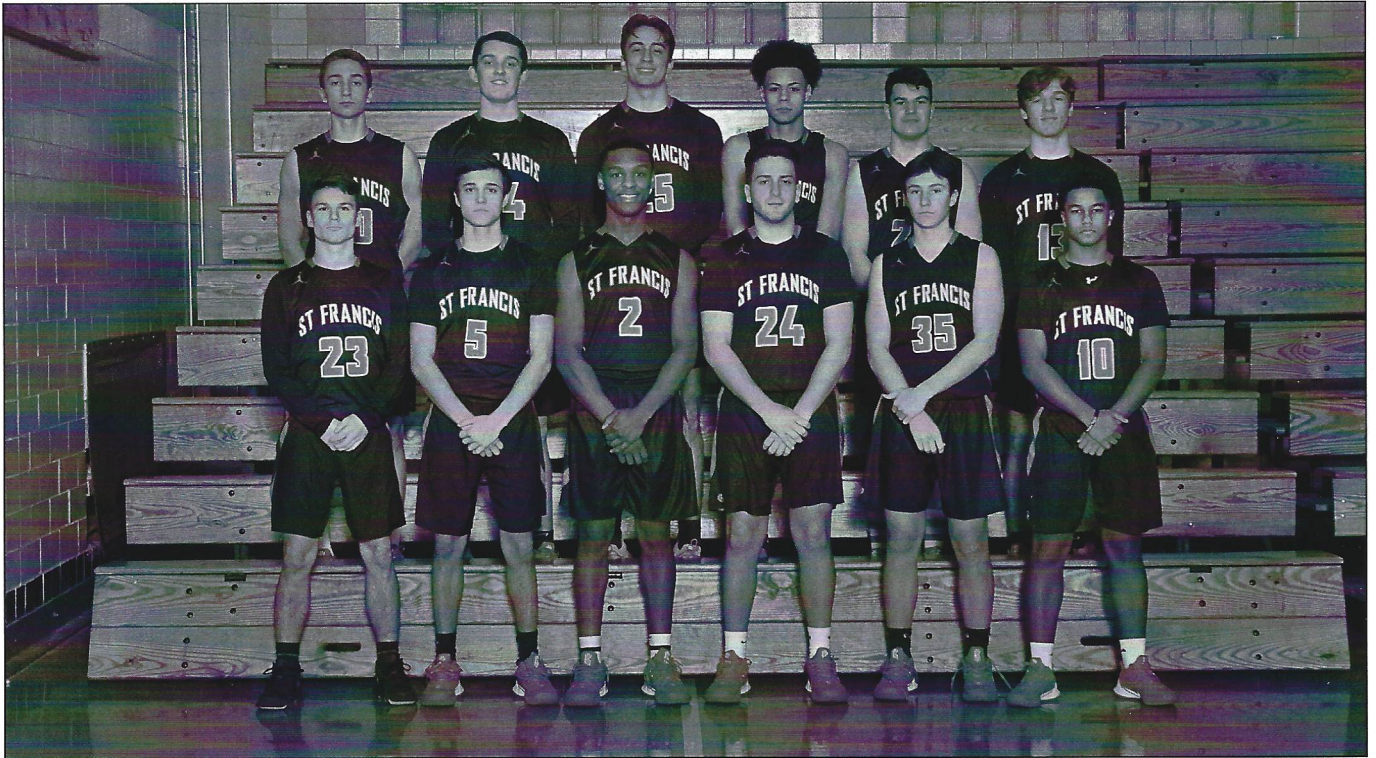

Sophomore Justin Glover has had another strong year, currently leading the team in assists with 4 per game. Senior Daesean Ashley has also been a key player for the Marauders, leading the team in steals with 1.6 per game, and coming in second in points (13.9) and assists (3.8 p/g) per game.

Another highlight of this season featured Jaden Slaughter and Daesean Ashley eclipsing the 1000 point plateau.

# ST. FRANCIS HIGH SCHOOL RED RAIDERS

The 2019-2020 St. Francis Red Raider basketball team was tasked with replacing 8 seniors that graduated off the 2018-2019 team. Most notably the Raiders graduated two time All Catholic point guard Justin Pouppey and All Catholic forward Lucas Theisen, add Dorion Ivey and the Raiders had to replace 80% of the teams scoring from the year before. The Red Raiders commitment in the off season and during the year showed a group of seniors, juniors, and sophomores that were up to putting in the work to keep the Red Raiders competitive in the MMAA, WNY, and the State.

The Red Raiders embarked on another daunting non-league schedule that included some of the top teams locally and state wide. The Raiders schedule included games against Long Island power and current #16 in the state Holy Trinity, St. Dominic's (ranked in Long Island), Albany's Green Tech (#20 in Class AA), 2 games against current #6 Class A team in the state Health Science, Rochester's University Prep (#14 AA), as well as Bishop Grimes and Syracuse Academy of Science which are both ranked in Section 3. The Red Raiders also faced off against top local schools ranked in the WNY Top 10; McKinley, Orchard Park, and West Seneca West. Add these games to the ultra-competitive MMAA schedule and the Red Raiders boosted one of the toughest schedules in WNY. At press time the Raiders currently stood with a record of 8-13 and a 5-6 mark in the league. The Red Raiders have proven that they can play with the best teams in the state, but have not shown the ability to finish close games. The Raiders have a 4-8 record in games decided in the final minutes. Coach Ferris's Raiders have held the lead in the final minute in 5 of the 8 loses. Highlights of the season include non-league wins over MLK Tournament host Bishop Grimes (Syracuse) and hard fought victories over local rivals West Seneca East and West. In league the Red Raiders hold victories over Cardinal O'Hara, Nichols, St. Mary's of Lancaster and a season sweep of rival Bishop Timon which included an overtime buzzer beater at Timon.

Individually the Red Raiders have battled injuries and sicknesses throughout the season that took key members off their roster for multiple games. Leading the way has been senior captains David Bartholomew and Jack Bickerstaff, as well as the junior duo of Amiel Collins and Peyton Consigli. These 4 have been carrying the load on the offensive end as each have averaged double digit scoring. Consigli has made 55 three pointers with 4 games and the playoffs ahead he is closing in the school record for 3 pointers made in a season set by Mark Renkas (95-96) with 69. Filling the shoes of 2-year starting PG Pouppey has been a combination of senior Chris Dempsey and sophomore CJ Moore. Off the bench Coach Ferris has relied on sophomore big man Brendan Reid and juniors Aidan Brunner and Andre Goldsmith to provide valuable minutes as they gain experience playing at the varsity level in the MMAA. Providing depth for the Raiders has been senior Theodore Katholos, Nate Langdon and Conor Black.

The St. Francis Red Raiders basketball team with the support of the students, fans, and alumni look to get back to the finals and bring the Manhattan Cup back to halls of St. Francis High School.

The 2019-20 season has been one of great growth. This edition of Nichols Basketball is gaining invaluable experience. Led by two Junior guards Hugh Purks and Jesse Adamu, Purks is averaging 14.5 ppg and Adamu 10 ppg. Both are relied upon to organize and settle our young team. Sophomores Ryan McCarthy, Lucas Suero and Junior Steven Hall have demonstrated a work ethic that will benefit them not only on the court but off. Freshman Matthew Carlson has proven himself to be ready for the Varsity level. It's worth noting that our All WNY, Senior, Captain, Aidan Horan, has suffered an injury taking him out of the lineup. Horan was averaging 22ppg, 8rb, 3ast. His leadership and ability to control the game for this young group has been sorely missed. The team has continued to persevere and work hard despite the loss of Horan. This group of young men has shown true grit and have revealed their strong character.

The 2019-20 roster is completed with Aaron Stein, Lukas Benchley, Chuck Newman. All of these players have been critical for this year's success. No team can be successful without an entire team effort and commitment. The Nichols family is proud of the hard work of this team.

This year's St Mary's Lancers have been full of compete, resilience, and effort. With a team comprised of 15 guards, and lacking height, the team has fought and scraped for everything. The team won an early Christmas tournament, but has struggled in the powerful MMHSAA league. Despite some setbacks and injuries, the Lancers are playing with confidence at the right time.

Captains Luke Szablewski and Trent Rumley are keeping the group focused and leading by example. Juniors, Brandon Thome, Sean Brown and Connor Schmitt have been playing very hard and learning along the way. The Lancers will also look for seniors Peter Duane, Brendan Murty, Levi Taberski, David Persico, Jerry Stachura, and Mike Vallone to step up in the playoffs, and bring the scoring and defense needed to advance.

The players and coaches would like to thank all the parents for their continued support and sacrifices throughout the long winter season. We wish everyone best of luck in the playoffs. Go Lancers!

This season SEM finished 2nd in the B Division under the guidance and leadership of senior captains, Katie Gareis and Lilly Johnsen.

Offensively the Red-Tailed Hawks were led by the dynamic force of forwards, Lilly Johnsen and Lydia Eno. Rosie Franjoine, who transferred to SEM her junior year had the new task of running the point guard position, her speed and natural athletic ability made her a force to be reckoned with on both offense and defense. Four-year veteran Aleigh Celotto continued to dominate on defense leading the team in steals. Ariana Nieves and Eve Desjardins added a spark to the offense, coming off the bench and hitting major shots.

With a good group of players with a strong work ethic returning for the 2020-21 season, the Red-Tailed Hawks are looking forward to another successful year. #GOSEM

The Cardinal O'Hara lady Hawks 2019-2020 will be one to remember. Bringing back a team of young ladies from previous seasons and having a team that is close in knit and compatible can be a challenge. With no seniors this season like in the past few years we've been able to overcome many obstacles and yet still balance out on and off the court. Starting the season with some new talent to a full year of varsity as a startedr, McClaney found her niche on the team and role in the game. We've returned two starters with Parker and McCarthy who have gotten a hang in their new leadership roles for our team as team captains. Parker was a previous year leading scorers for our team and although she has shied away from it just a bit this season, she has power housed in every other aspect in the game. Her defense has been off the charts and grabbing rebounds on both sides of the floor giving her a double double nearly each game. Parker has also done Ana maxing jobs in creating opportunities for other players by driving and closing the defense on her for a nice kick out for our other players. Another returning player and new captain this year; Mia McCarthy has excelled in her game this season bringing her atop of the leading scorers for us this season. McCarthy intensely works to better her game on a regular basis including perfecting her shot and finding new ways to create space and open a shot opportunity. McCarthy has also found new ways to better her game in different scoring aspects and has really stayed in tune with her defense as followed from last season. Along with our captains we've brought a starting line up consisting of Amelia Strong (junior), Jade Rutledge (sophomore), and Courtney McClaney (sophomore). Strong has quickly arouse to the top and has consistently been a leading scorers each game becoming a real power house down low. Strong has overcome facing division 1 signed athletes who she has eagerly vowed to defend and make there game as hard as possible on the defensive end. Learning different post moves and ways to keep the ball high she has created opportunity after opportunity to help our team stay afloat and even right from the tip giving us the game edge from the start. Sophomore Rutledge is still getting to know her true role on the team but brings her defensive game every game. Rutledge is almost a blocking specialist grabbing atleast 2:3 blocks a game and domination on the defensive side. We've often placed her on some of our opponents leading scorers and she has actively kept them beyond lower in scoring than what they're used to. When we look at McClaney a new varsity player and starter she a great defensive player and helps lock down guards.

The season started out well with seniors Anna Fleming and Singo Lekeuneu leading the way to a 3-1 start. Juniors Rose Mayer, Abby Tyson and Mia Opfer also contributed to the successful start to the season. The injury factor came into play over the Christmas break as leading scorer and senior Singo Lekeuneu tore her Achilles tendon and is out for the rest of the season. In her absence the team has really picked up their scoring ability and they play hard every game. As they started to adjust without Singo, their other star guard Mia Opfer was also injured and has missed two weeks of the season. As much as this has been a challenge to the team, they have fought through this adversity and continue to play at a high level.

Other players like Ruth Moser, Niya Wilson, Joanna Nie and Rachel Yager have all improved their games and have given Coach Redfern some good minutes coming into games. The CCA team is looking to make an impact in the playoffs this season as they get some of their injured players back just in time.

The Magic approach the 2020 playoffs following a regular season in which they had the opportunity to compete against the top ranked teams in Western New York. They will enter the playoffs with players who have achieved career highs in a number of offensive categories. The team's scoring has been led by Hannah Fredo (14 ppg) and Emily Kessler (10 ppg). Both are juniors. Fredo has recorded double doubles in the majority of the team's contests. Kessler has also contributed over six rebounds per game.

Tierney Ashe is the team's lone senior. Ashe has been the top play maker with four assists per game. Cecelia Strang (junior), has grown into her role as both a strong wing player and dependable defender. Cianna Tobia (freshman) has had a strong first season, establishing herself as a dependable defender, who works hard on both ends of the floor.

The Magic are fortunate to have an inside/outside scoring threat that comes off the bench. Catherine Zak plays a key role at both guard and forward. Megan Reilly is a junior in her first varsity season. Reilly continues to grow as an important contributor on both ends of the floor. Zoe Gray (junior) and Mya Wood (sophomore) round out the roster. Gray's attitude and effort have become vital to the team's overall success. The team looks forward to having Wood return to game action following an injury which has kept her out of the lineup so far this season. One Magic highlight thus far in the 2019-20 season has been being crowned champions of the Lady Blue Devils Holiday Classic at Kenmore West. Hannah Fredo was named the tournament's MVP, while Tierney Ashe was selected to the all-tournament team.

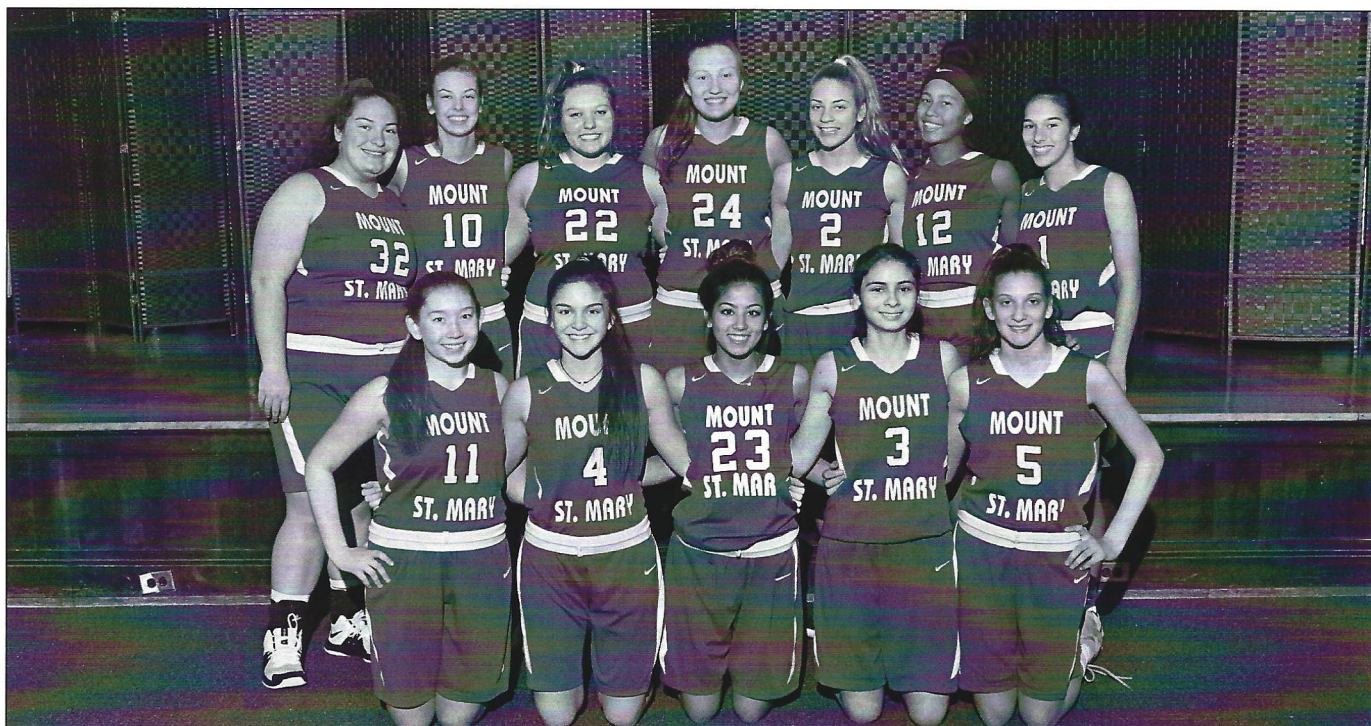

The Magic's final weeks of the season included matchups in the always highly competitive Wilson Lakeman Tournament, along with several tough league and non-league contests against the area's best teams. The Magic are looking forward to the postseason as the team hopes to continue with a strong defensive focus, while expanding their offensive production.

This year's basketball team saw steady improvement as the season progressed. Our three seniors, Gabriella Giglia, Lauren Mucica and Emily Meka, knew at the start of the season that it would be a year of growth. Coach Snyder is optimistic for the playoffs and very optimistic for next year's team. He will be returning 7 juniors and one freshman. Also, the JV team has had a great season with some very strong players that will round out next year's team.

Averaging 19 points a game, leading scorer Nevaeh Winston has had an outstanding season. An early season injury to 4 year varsity player and captain Lauren Mucica was a hit to the Thunder. Fortunately Emily Fischer moved up from 6th man, and has had a great year with many improvements in her game.

Sarah Ginnane controls the point, and is a team leader and will be returning next year. Also returning are starters Alexandra Kiedrowski and Alexis Roberts, who lead the team in rebounds.

The Mount would like to wish all Monsignor Martin teams best of luck in the playoffs this year.

The 2019-20 St. Mary's Lancers entered the season looking to build off of last years 21-3 season and compete for a Monsignor Martin Championship. This year's version of the Lancers is lead by two four year varsity starters in Senior Lauren Nawojski (Captain) and Parris Maroney. Lauren is force on the boards as she became St. Mary's all-time leading rebounder on November 30, 2019 surpassing the previous record held by Ciara Rosten (562). Lauren is approaching 750 career rebounds as she closes out the season. Parris Maroney provides athleticism and quickness on the defensive end and is known as a slasher offensively with her elusive moves.

The Lancers have experience to round out the team returning five additional players most notable Sophomore Shay Ciezki (2018-2019 First Team All WNY). Shay is a dynamic point guard with a great feel for the game and makes the St. Mary's team go offensively. As a sophomore Shay is approaching the 1,000 point scoring mark. Sydney Ottomano (Junior) has stepped in at the shooting guard position providing a nice 1-2 combination in the back court for St. Mary's. With both guards looking to distribute the ball the beneficiaries are two other Juniors Ava Achtyl and Sam Garry. Achtyl has continued to grow into her role as the starting center for St. Mary's and has a bright future ahead of her. Samantha Garry has shown great improvement throughout the season and if a formidable back to Ava and provides depth to the team. Sophomore Margaret Nawojski has seen increased playing this season and is spark off the bench for the team with her high energy and reliable play. Chloe Sell (Sophomore) is developing into a tough defender for the Lancers maximizing her playing time when called upon. The team is rounded out by Juniors Christina Kocol and Ally Beardi both first year varsity players who provide a team first mentality and are instrumental in this year's team unity.

The Lancers are well balanced inside and out with experience throughout their lineup. St. Mary's continues to test their abilities with a difficult non-league schedule playing many of the top ranked teams in WNY, Rochester and Syracuse and are hopeful to compete for the Monsignor Martin Association AA Championship. Best of luck to all. Go Lancers!
