4. All coaches are responsible for reporting all cautions and ejections issued to any member of their team using the official google caution ejection form (see cards below). Make sure referees verify all cautions and ejections before they leave the game site.
5. Teams should arrive at the site no later than thirty minutes prior to the scheduled match.

Soccer Rules Changes - 2022-22

[2022-22 NFHS Soccer Rules Highlights](#)

4-2-10 NEW: Head coverings worn for religious reasons shall not be made of abrasive or hard materials; and must fit securely.

Rationale: This rule addition will allow student-athletes to express their religious beliefs through the wearing of headwear without the approval from the state.

4-2-11 NEW ARTICLE: In addition to the above permitted uses, state associations (or designee) may on an individual basis permit a player to participate while wearing a head covering for medical or cosmetic reasons if it is required by a licensed physician. A physician's statement is required before the state association can approve a covering which is not abrasive, hard or dangerous to any other player and which is attached in such a way it is highly unlikely that it will come off during play.

Definition of a Scrimmage for Girls soccer

A scrimmage is a practice that is a SIMULATED CONTEST. In scrimmages: (a) both squads use the same field simultaneously with both coaches making corrections and giving instructions, (b) GAME RULES MUST BE ALTERED – SEE SPORT SPECIFIC REQUIREMENTS [NYSPPHSAA HANDBOOK](#). (c) no official score is kept, (d) time period(s) are defined in the Sport Standards MMHSAA of the NYSPPHSAA Handbook , (e) no admission is charged. The use of officials would be permitted and encouraged whenever possible for the purpose of instruction regarding the rules and proper application of rules.

For Girls soccer:

1. A soccer scrimmage may not exceed a total of 100 minutes and unlimited substitutions are permitted.
2. The length of time for the periods of play is to be determined by the coaches, not to exceed 40-minutes in any one period: halves, three-quarters or quarters.
3. Scoreboards may be used for timekeeping only.
4. The clock will begin with the goal keeper in possession of the ball. When a goal is scored, play will be restarted with goalie possession.
5. The goalie can restart play with a goal kick, goalie throw or goalie punts.

MMHSAA Card Policy

This policy will be used for all levels of play. All Coaches and officials are required to report their red and yellow cards. All coaches are required to report their red and yellow cards as listed in the coaches responsibilities.

Red and Yellow Cards will be reported using the [MMHSAA Soccer Card Reporting Form](#). This form will assist the MMHSAA office and the Soccer Chairman in keeping track of the cards that are assessed. Junior Varsity teams will report their Cards using the same procedure.

<p>RED CARD POLICY 1st Red Card - One Game Suspension 2nd Red Card - Two Game Suspension 3rd Red Card - Suspension for the remainder of the Season (including MMHSAA and States)</p>	<p>YELLOW CARD POLICY 3 Yellow Cards - One Game Suspension Each additional Yellow Card - One Game Suspension</p>
--	---

Double Yellow Cards will not count for the overall total, as it results in a Red Card. The player will have already been suspended through the Red Card Policy.

The cumulative card total is for all games, regular season only* – 22 games maximum.

The process will start over for MMHSAA Playoffs and States. Any penalty awarded during one level of play will carry over to the first game of the next level of play.

(Example: A player received his/her 3rd Yellow Card in the last regular season game, then the player will sit out the 1st MMHSAA game; if received in the last MMHSAA game, sits out the state game.)

RED & YELLOW CARD POLICY MMHSAAALS, REGIONALS AND STATES

3 Yellow Cards - One Game Suspension

1 Red Card - One Game Suspension

Yellow Card Accumulation Policy: It is the intention of the MMHSAA to address the issue of the accumulation of Yellow Cards during the soccer season by an individual player or coach. The situation surrounding Red Cards are dealt with directly under the NYSCHSAA Guidelines for Sportsmanship and Misconducts outlined in the State Handbook for all sports. The consequences for the accumulation of excessive Yellow Cards will be as follows:

1. Three Yellow Cards accumulated by a single player or coach in the regular season will result in a one game suspension. Disqualifications due to an accumulation of five (5)

Yellow Cards occurring in the last game of the season will carry over into the next season of participation, if the team does not enter post season play.

2. The continued accumulation of Yellow Cards by the same individual or coach will result in a one game suspension per additional Yellow Card.
3. In the event that the player or coach receives two Yellow Cards in the same game, resulting in a Red Card, the two (2) Yellow Cards will not count towards the season total, since the player or coach will receive a one game suspension because of the misconduct and ejection.
4. The accumulation card total is for regular season play only and the process will start over again for postseason play. However, any penalties awarded as a result of the last regular season game will carry over into the postseason.
5. The postseason policy will provide a one game suspension after three (3) Yellow Cards and a one game suspension for each additional card received through the State Final. A one game suspension resulting from a yellow card in a team's last postseason game will carry over into the next season of participation.
6. The coaches of both schools are to report all Yellow Cards to MMHSAA. The officials should report to their boards concerning games in which cards are given and the reasons for issuance of the card. Board policy will determine the method of notification to the League.
7. Refusing to report, or failing to report infractions and allowing players to continue play under these circumstances will result in the forfeiture of all games in which the individual in question participated.

For Officials: Effective 2011

1. All Red Cards issued must be reported to MMHSAA using the [ON-LINE DQ](#). This form is automatically emailed to Section VI Executive Director Mark DiFilippo and will be forwarded to MMHSAA Executive Director Pete Schneider.
2. All Yellow Cards issued must be reported by the lead official in the Game Report.
Instructions:
 - In Arbiter sports, click on the tab SCHEDULE, then click on the red R in the Notes column next to the Game number. To see previous games, click on SHOW ALL under Display on the left.
 - Enter the name/number of the athlete and brief description of the yellow card in the comments field.
 - The DQ Form can also be accessed from the Game Report.
3. The lead official must complete the Game Report in www.arbitersports.com after each game even if no cards were issued. (See item 2 for instructions)

Reporting of scores and recording statistics

Scores will be reported using the [MMHSAA Scores reporting form](#). Scores must be reported by the home team immediately following the game. We will be using MaxPreps to track league records and statistics. All coaches are responsible for entering their teams statistics as soon as possible following their league and non-league games.

Playoff Tournament

Playoffs will consist of All schools participating in MMHSAA League for the 2022 season.

 - a. head to head
 - b. division record
 - c. wins over common opponent-
 1. Tied teams start with the top of the regular season standings, and work their way down the standings until there is a difference in

record against a team. Once there is a difference, the team with the better record becomes the higher seed

- d. Least goals within a division
- e. flip of a coin,
- f. In the event of a 3-way (or more) tie, the above procedure will be applied using only the games played between the tied teams. Once a tie is broken by the above system, and if ties among remaining teams still exist, those ties are broken by starting again at the top of the tie-breaking system starting at step 1, if two teams are still tied. MMHSAA Policy Contingency Plan for Sectional Competition

1. Contests will be postponed only if a participating school is officially closed due to weather or illness.
2. It is the responsibility of the Athletic Director (or designee) to notify the Executive Director and the Sport Chairperson that the school has been closed due to weather conditions (or illness) as soon as he/she becomes aware of such action. Officials and the media will be notified by the Chairperson (or designee).
3. In the event that a school is closed on the day its playoff contest is scheduled, the decision to play shall rest with the School.
4. When a contest is at a non-school site: If the competition facility and the roads to that destination are open, then the competition will go on as scheduled. If either the roads or the facility is closed, then the competition will be cancelled. Under NO CIRCUMSTANCES is a site contracted by MMHSAA available for practice when a meet is cancelled. Individual schools wishing to use a site for practice must follow standard rental procedures through their Athletic Director.
5. The Sport Chairperson will notify the Executive Director of any postponements.
6. PLEASE NOTE: It is up to the MMHSAA to recognize the potential for snow days, power outages, etc. that may cause cancellations and problems. The league should schedule their last league contest at least one or two days prior to the seeding meeting, allowing for a makeup league contest(s) prior to the seeding meeting if necessary. The storm in Feb. 2006 that closed schools the day before the seeding meeting bears this point out.

NOTE: A Senior All-Star contest by MMHSAA standards, is one in which an athlete's participation is based solely on outstanding performance as a member of a high school team. If open-tryouts are held, the contest is NOT a MMHSAA All-Star contest.

Jewelry Rule

No jewelry, which includes visible body piercing objects, shall be worn in a sport. Any piece of jewelry that is visible at the start of or during a contest is in violation of the MMHSAA Jewelry Rule. Religious medals must be taped to the body and under the uniform. Medical medals must be taped to the body so they are visible. Soft, pliable

barrettes are permissible, body gems are not. The use of metal hair fasteners to secure hair is permissible in Girls Gymnastics. NOTE: The sports of Bowling and Golf are exempt from this rule. Wristwatches are permitted in cross country and in practice only for track and field. Hair restraints, to control a competitor's hair, are permitted in track and field and cross country. (Dec. 2010)

MMHSAA AED Policy

Although the New York State legislature may have not gone so far as to make Education Law Section 917 applicable to nonpublic schools, the MMHSAA believes that its member schools should observe the law's requirements as a "best practice" and therefore strongly encourages them to do so. For events that the MMHSAA hosts at neutral sites, there will be AED equipment present as well as people who know how to operate the equipment. For playoff matches at a member school, the member school is responsible for providing the AED. During the soccer season, it will be the independent responsibility of each school to ensure whether and how the school will observe these best practices relating to AED's.

MMHSAA Thunder and Lightning Policy

"Thunder and lightning necessitate that all contests be suspended. The occurrence of thunder and/or lightning is not subject to interpretation or discussion - thunder is thunder, lightning is lightning. If lightning and/or thunder is observed, all outdoor activities will be suspended immediately. Players and spectators shall be directed to report to a shelter, a building normally occupied by the public or if a building is unavailable, participants should go inside a vehicle with a solid metal top (e.g. bus, van, and car). The officials and responsible authorities shall make every reasonable effort to resume and complete the contest, with full consideration of the weather and site conditions (as they affect safety and playing conditions). The official/coaches shall wait 30 minutes from the time the last boom is heard and/or the last strike is seen before starting or resuming play.

CLARIFICATIONS:

PRIOR TO CONTEST If thunder/lightning is observed at the site of an outdoor contest by the officials / coaches 30 or fewer minutes prior to the scheduled start of that contest, the official / coaches and the responsible school authorities shall not permit the contest to begin. Before the contest can begin a 30minute period void of any strike or boom must be observed.

DURING THE CONTEST If thunder/lightning is observed at the site of an outdoor contest by the officials during the playing of the contest, the official/coaches shall

immediately cease play for 30 minutes. Play may not resume until there has been a period of at least 30 minutes in which a boom or strike has not been observed. The rules of the particular sport shall determine whether the contest is 'official' or must be resumed at a later date."

Sportsmanship Philosophy

1. We believe that interscholastic athletics is an important part of education and support the ideals and values embodied in good sportsmanship.
2. We believe that sportsmanlike behavior is essential if interscholastic competition is to contribute usefully and constructively to the broad goals of education and to the quality of life of those involved.
3. We pledge ourselves individually and collectively to encourage and support the development and maintenance of a sportsmanlike atmosphere for athletic competition.

Code of Conduct Philosophy

1. A genuine interest in and enjoyment of interscholastic competition requires conduct that reflects the understanding that contests as a part of an overall school program are intended to be enjoyed. Behavior that reflects a winning-at-all-costs attitude violates this standard.
2. Interscholastic competition provides valuable lessons and learning experiences that are not possible in the regular classroom setting. All involved must support the need to develop the ability to compete with enthusiasm and to accept winning with grace and losing with dignity.
3. Coaches, players, and fans should know that participation is an honor and privilege which requires them to conduct themselves in a manner that brings honor and pride to their school and community.
4. Respect for the cultural and ethnic diversity of one's opponents, their school, and community is a fundamental tenet of wholesome athletic competition. This standard suggests that planned activity is needed to demonstrate a warm and friendly welcome, mutual respect, and a genuine readiness to participate in a sportsmanlike manner.
5. Players should demonstrate both knowledge of the rules and respect for game officials and their decisions. Coaches and school officials have the responsibility to teach and encourage these attributes.

Sportsmanship Pledge

The New York State Catholic High School Athletic Association and the Monsignor Martin High School Athletic Association requires that game administrators, school administrations and officials enforce a ZERO TOLERANCE POLICY for athletes, coaches, and spectators. They will not tolerate negative statements of actions between opposing players, especially abusive language, trash talking, taunting, or baiting of

opponents. If such comments are heard or actions seen, a penalty will be assessed immediately. Spectators are reminded that "The fee paid to gain admission to this Monsignor Martin High School Athletic Association event does not entitle you to:

- a. berates officials;
- b. question the coach;
- c. make negative comments toward either team;
- d. display inappropriate behavior

The playing field is an extension of the classroom. Please practice good sportsmanship."

This announcement stands as the official warning and the ZERO TOLERANCE POLICY is posted at the entrances to today's game.
