The sport chair may vote only when the vote is tied. A sport chair who also represents a school can serve in both capacities but will have only

one vote.” This committee can only make recommendations to the athletic director’s committee.

Volleyball Rules Changes - 2022-23

3-1-3 PENALTY, 4-2 PENALTY 3: Adds language allowing state associations to determine the appropriate action/penalty when padding requirements are not met and a team does not have six legal uniforms. **Rationale:** Clarifies that state associations have the authority to determine the action and/or penalty(s), if necessary, to address these issues.

4-1-6: Allows hair adornments provided they are securely fastened and do not present a safety hazard while eliminating the length limitation of 2 inches for bobby pins, flat clips and flat barrettes. **Rationale:** Creates inclusivity of hair styles while maintaining that the risk of injury to the athlete, teammates and opponents should not be compromised.

4-2-1f: Eliminates the manufacturer logo/trademark/reference restrictions on the waistband **ONLY** of the uniform bottom. **Rationale:** Allows for multiple and eliminates size restrictions of manufacturer logos/trademarks/references on the uniform waistband **ONLY**, minimizing issues related to illegal uniform bottoms.

5-6-3b, e; 5-7-3e: Eliminates the sounding of the audio device when an improper server or an illegal libero replacement is recognized by the official’s table and establishes that the official scorer shall notify the second referee during the first dead ball. **Rationale:** Allows the match to continue without interruption until the second referee is notified and can verify the improper server/illegal replacement during the next dead ball.

7-1-2c (NEW): Requires the head coach to indicate the playing captain with a “C” next to the player’s number on the lineup. **Rationale:** Aligns language in the Case Book and Officials Manual that requires playing captains to be indicated on the lineup.

11-2-1: Allows requests for time-outs by the head coach or playing captain to be signaled or verbalized. **Rationale:** Establishes that both verbal and non-verbal signals for a time-out are permitted.

12-2-5a: Adds that assistant coaches may stand during a dead ball situation and ask the second referee to verify the number of substitutions used by their team. **Rationale:** Clarifies that assistant coaches may ask the second referee, during a dead-ball situation, for the number of time-outs and/or the number of substitutions used by their team.

Letters of authorization

Authorization is required from the state association for any special accommodation for an individual player, a memorial patch on the uniform or any other special circumstance not specifically covered in the rules. It is the responsibility of the school coach to contact the appropriate staff of the state association to seek the authorization following the established procedure set forth by the respective state association. Appropriate support material and early contact by the school to the state association is expected and prevents confusion when a player shows up and is not in compliance with the rules and not permitted to play by the game officials. It is NOT the responsibility of the officials to seek the authorization. It IS the responsibility of the coach to obtain the authorization before the contest and to present such authorization to the officials prior to the start of the match.

Reporting of scores and recording statistics

Scores will be reported using the MMHSAA [Scores reporting form](#). Scores must be reported by the home team immediately following the game. We will be using MaxPreps to track league records and statistics. All coaches are responsible for entering their teams statistics as soon as possible following their league and non-league games.

It is strongly suggested that supervisors wear a ribbon that will make them readily visible, identifiable, and accessible to the crowd and to the Site Chairperson.

Playoff tournament

All schools may participate in MMHSAA playoffs.

Tie-breaking system for seeding

If teams have identical records, the following criteria will be used to break the tie:

1. Head to head
2. The team with the most league/division wins will be the higher seeded team.
3. The team with the fewest league league/division losses will be the higher seeded team.
4. Total sets won head to head
5. Total set won in a division
6. A toss of a coin will determine the higher seeded team.

REPRESENTATION

A contestant or athletic team shall not represent a school except in conformance with all rules and regulations. It shall be the duty of trustees and boards of education to require that athletic activities be limited to competition between secondary school students.

To be eligible for MMHSAAA or state competition, a team must have competed in six school-scheduled contests which occurred on six different dates during the season.

Team Sports: For the sports of baseball, basketball, field hockey, ice hockey, lacrosse, soccer, softball, and volleyball, an individual is eligible for the team if he/she has been an eligible participant on a team in that sport in that school for a minimum of six scheduled contests during the regular season. For football, a student must be an eligible participant for a minimum of three contests. For Competitive Cheerleading, a student must be an eligible participant for a minimum of two competitions.

Contingency Plan for MMHSAA Competition

Contests will be postponed only if a participating school is officially closed due to weather or illness.

1. It is the responsibility of the Athletic Director (or designee) to notify the Executive Director that the school has been closed due to weather conditions (or illness) as soon as he/she becomes aware of such action. Officials and the media will be notified by the home school Athletic Director (or designee).
2. In the event that a school is closed on the day its playoff contest is scheduled, the decision to play shall rest with the District Superintendent.
3. When a contest is at a non-school site: If the competition facility and the roads to that destination are open, then the competition will go on as scheduled. If either the roads or the facility is closed, then the competition will be cancelled. Under NO CIRCUMSTANCES is a site contracted by MMHSAA available for practice when a meet is cancelled. Individual schools wishing to use a site for practice must follow standard rental procedures through their Athletic Director.

4. The home school Athletic Director will notify the Executive Director of any postponements.
5. PLEASE NOTE: It is up to the individual leagues to recognize the potential for snow days, power outages, etc., that may cause cancellations and problems. The individual leagues should schedule their last league contest at least one or two days prior to the seeding meeting, allowing for a make-up league contest(s) prior to the seeding meeting if necessary. The storm in February 2006 that closed schools the day before the seeding meeting bears this point out.

MMHSAA Policies

MMHSAA Policy on Travel to State Competition

- [Summary for Individual Sports](#)
- Member schools participating in state/federation competition will be responsible for all costs related to that participation.
- Supervision:
- One or more certified coaches are required to travel with the student athletes from their school and must be present on any MMHSAA contracted bus, where the athletes are housed, at the state competition site and all related events.

Regulations Regarding Senior All-Star & Outside Agency Contest

1. All Senior All-Star and Outside Agency contests MUST be approved by MMHSAA. In addition, Senior All-Star contests must be approved by MMHSAA. The forms required are posted on the section website.
2. All Senior All-Star and Outside Agency contests must be conducted within the season dates approved by the MMHSAA Athletic Council for that sport. The calendar of approved season dates for all sports is posted on the section website.
3. Only seniors who have completed their secondary school eligibility in that sport may compete in these contests.
4. A contestant may participate in any approved senior all star athlete contest in the same sport during the school year. (approved October 24, 2013, MMHSAA Executive Committee Meeting).

NOTE: A Senior All-Star contest by MMHSAA standards, is one in which an athlete's participation is based solely on outstanding performance as a member of a high school team. If open-tryouts are held, the contest is NOT a MMHSAA All-Star contest.

ALL-WNY Scholar Athlete

Coaches and Athletic Directors are encouraged to nominate athletes for selection to the All-WNY Scholar Athlete in Soccer. Applications must be completed on-line before a date TBD. Coaches should check back during the season. The winners will be honored by the Buffalo News. Click for the [selection criteria and on-line application](#)

MMHSAA AED Policy

Although the New York State legislature may have not gone so far as to make Education Law Section 917 applicable to nonpublic schools, the MMHSAA believes that its member schools should observe the law's requirements as a "best practice" and therefore strongly encourages them to do so. For events that the MMHSAA hosts at neutral sites, there will be AED equipment present as well as people who know how to operate the equipment. For playoff matches at a member school, the member school is responsible for providing the AED. During the soccer season, it will be the independent responsibility of each school to ensure whether and how the school will observe these best practices relating to AED's.

CONCUSSION MANAGEMENT

MMHSAA has recommended that every school develop a written policy for concussion management and return-to-play protocol. Each school is responsible to follow the policy and guidelines set forth by their home school. (Refer to www.nysphsaa.org for a reference)

In addition, in regards to officials, coaches shall note: "if a student exhibits signs and symptoms of a concussion, the official may remove the student from competition. The chief school medical officer shall determine when a student may return to play."

Sportsmanship Philosophy

1. We believe that interscholastic athletics is an important part of education and support the ideals and values embodied in good sportsmanship.
2. We believe that sportsmanlike behavior is essential if interscholastic competition is to contribute usefully and constructively to the broad goals of education and to the quality of life of those involved.
3. We pledge ourselves individually and collectively to encourage and support the development and maintenance of a sportsmanlike atmosphere for athletic competition.

Code of Conduct Philosophy

1. A genuine interest in and enjoyment of interscholastic competition requires conduct that reflects the understanding that contests as a part of an overall school program are intended to be enjoyed. Behavior that reflects a winning-at-all-costs attitude violates this standard.
2. Interscholastic competition provides valuable lessons and learning experiences that are not possible in the regular classroom setting. All involved must support the need to develop the ability to compete with enthusiasm and to accept winning with grace and losing with dignity.
3. Coaches, players, and fans should know that participation is an honor and privilege which requires them to conduct themselves in a manner that brings honor and pride to their school and community.
4. Respect for the cultural and ethnic diversity of one's opponents, their school, and community is a fundamental tenet of wholesome athletic competition. This standard suggests that planned activity is needed to demonstrate a warm and friendly welcome, mutual respect, and a genuine readiness to participate in a sportsmanlike manner.
5. Players should demonstrate both knowledge of the rules and respect for game officials and their decisions. Coaches and school officials have the responsibility to teach and encourage these attributes.

Sportsmanship Pledge

The New York State Catholic High School Athletic Association and the Monsignor Martin High School Athletic Association requires that game administrators, school administrations and officials enforce a ZERO TOLERANCE POLICY for athletes, coaches, and spectators. They will not tolerate negative statements of actions between opposing players, especially abusive language, trash talking, taunting, or baiting of opponents. If such comments are heard or actions seen, a penalty will be assessed immediately. Spectators are reminded that "The fee paid to gain admission to this Monsignor Martin High School Athletic Association event does not entitle you to:

- a. berates officials;
- b. question the coach;
- c. make negative comments toward either team;
- d. display inappropriate behavior

The playing field is an extension of the classroom. Please practice good sportsmanship."

This announcement stands as the official warning and the ZERO TOLERANCE POLICY is posted at the entrances to today's game.

Jewelry Rule

No jewelry, which includes visible body piercing objects, shall be worn in a sport. Any piece of jewelry that is visible at the start of or during a contest is in violation of the MMHSAA Jewelry Rule. Religious medals must be taped to the body and under the uniform. Medical medals must be taped to the body so they are visible. Soft, pliable barrettes are permissible, body gems are not. The use of metal hair fasteners to secure hair is permissible in Girls Gymnastics. NOTE: The sports of Bowling and Golf are exempt from this rule. Wristwatches are permitted in cross country and in practice only for track and field. Hair restraints, to control a competitor's hair, are permitted in track and field and cross country. (Dec. 2010)

New (August 2022)

Students will now be permitted to wear jewelry in cross country, track & field, swimming & diving, tennis, softball, baseball, volleyball (stud earrings), and gymnastics (stud earrings). As in previous years, the wearing of a medical alert with the alert visible continues and is encouraged for purposes of risk minimization.

Rationale: The wearing of jewelry ordinarily presents little risk of injury to either the competitor or opponents. Elimination of the rule allows officials to focus on meet administration directly related to competition. Coaches continue to have the obligation to see that competitors are properly equipped.
